MiniKitchens NEW ZEALAND

MiniKitchens NEW ZEALAND

MiniKitchens New Zealand specialises in high quality flat-packed kitchenettes for small dwellings, offices and the accommodation sector.

MiniKitchens offers typical Italian styling and flair with great functionality and is manufactured by MOBILSPAZIO in their custom-built factory in Ancona, Italy.

The flat-packed range has four models in a choice of five different finishes. Each pack contains everything you need to complete your kitchenette.

MiniKitchens can be installed in an existing room or incorporated into plans for a new build. Please discuss your requirements with us so we can help you find the best model for your situation.

All models are delivered flat packed. We also offer an optional onsite assembly service.
